Mr Abe Manly,
71 Crawford St.
Newark, N.J.

Dear Sir:

Am writing you early
to offer you a proposition about my
ball club. No doubt next season
ball players will be more scarce than
they were this past year. I want
you to take my club the Daisies
as your Farm team and then what
players you need I will try and
have them ready for you and that

will keep the Stars from taking
all of my players as they did the
past season. If you will write
me a letter in return saying what
you will do then when you go to
the baseball meeting you can say
that is your Farm team. Then
not any of them can take the
players unless you O.K. it. Please
think this matter over and let me
hear from you at your earliest
convenience.

Respectfully Yours
Webster McDonald
